

In New Zealand emergencies can happen anywhere, any time,
and often without warning. When they do, civil defence and
emergency services will be busy helping people who need them most.

NEVER HAPPENS?

HAPPENS

Floods, storms, severe weather, earthquakes, volcanoes, tsunami and
landslides can disrupt our lives, damage property and cause serious harm.

The good news is, it's easy to make sure you, and the people you care
about, are ready to get through.

Have a chat with your family and friends, and work out what you'll do.
